

## What is 111Project?

111Project is a Christian 501c3 based in Oklahoma that mobilizes local churches and communities to support vulnerable children and families. Working in all 77 counties of Oklahoma, 111Project bridges the gap between government, non-profits, foster care agencies, businesses and churches to see that every child has family, every family has support, and every church does their part.

## What is CAFO PREACH?

CAFO (Christian Alliance For Orphans) is a global community that unites and strengthens Christians to respond effectively for vulnerable children and families. CAFO provides resources for pastors and leaders to use when preaching and teaching on God's heart for the vulnerable. The information below includes excerpts from the PREACH guide. ## Ideas for involvement:

- Dedicate a particular Sunday to discussing God's heart for the vulnerable.
- Plan an entire sermon series about the missional vision and values of your church.
- Include a special time of prayer and dedication over foster and adoptive families in your congregation.
- Engage in a service project aimed at families, children or organizations in your local community.
- Invite your members to an informational meeting where they can learn more about fostering, adopting, or providing wraparound support care for families. We would love to help host this time.
- Develop an annual strategy for how to engage your church in serving the vulnerable. If you need help, consider using the 111Project's Ministry Action Plan (MAP QR code below).
- Consider building a CarePortal response team so your church can help meet the needs of your church and community.

## Next steps for your members:

Encourage your people to get involved. This can include:

- Opening their home through foster care or adoption.
- Bringing meals or providing tangible goods for families welcoming children.
- Offering relational support to families.
- Using their gifts and passions (i.e. home repairs, car maintenance, etc. to serve families).
- Regularly praying for and encouraging families in the church and community.
